

Holistic Management
AND CONSULTANCY

YOUR SPECIALIST TEAM

We believe the best teams work like puzzle pieces. We coach and mentor all our leaders to be great at what they are good at. We have the greatest team in Australia, their experience and knowledge are our best reference.

Your expert team of professionals are always available for support and advice.

NQF & Management Expert

Alina Dan

A renowned expert in the field of early childhood. Alina is the most hands on mentor in the country and will inspire, monitor and ensure your team and service achieves best outcomes from Exceeding rating to financial success.

Business and HR Specialist

Michelle Florimo

An experienced general manager, and expert in HR, budgeting, financial planning and forecasting. Michelle will ensure you are supported through all stages of employment, performance management, appraisals, interviews, EBAs.

Events Manager

Lisa Dooley

Our community is well looked after by our Events Manager who plans all our events, visits and prioritises immediate support required by our stakeholders. Lisa is available to organise calendars and mentoring visits.

Consultant

Mel Calci

Mel is experienced in the early childhood industry. Her areas of expertise include: Mentoring services on how to set up Provocations and Invitations To Play, Setting and starting services from concept to operations (and beyond) QIP, WHS & Compliance.

Project Manager

Amanda Blackshaw

Our community is forever evolving, and our Project Officer ensures we gather all the data and prepares us for growth. Amanda is available to help with all new service set ups and re-structures.

Resources Specialist

Stephanie Milner

Our Resource Specialist ensures your business is promoted to clients and the general public through social media platforms, educational documents and resources. Steph creates and researches various different products for the business.

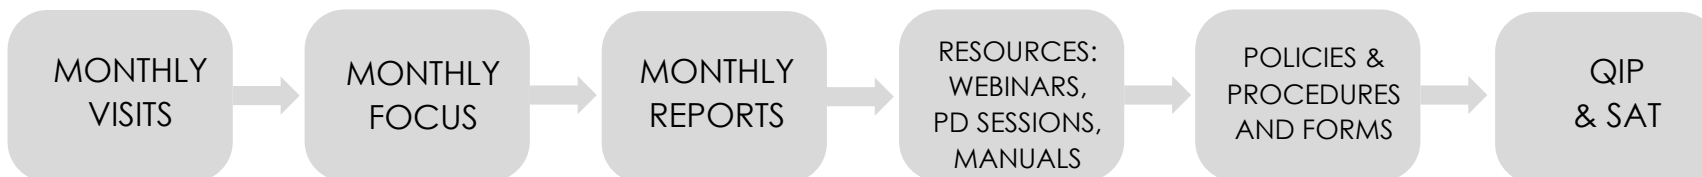

Resources Specialist

Nicole King

An experienced finance officer with payroll, BAS, IAS and banking knowledge spanning over 20 years. Nicole has a great strength in account management and accounting systems, and can assist with any financial enquiries
